Chapter Business Cards

Chapters may use business cards to advertise social media pages, engage new members, and promote to local alumni. All business cards should include information about social media platforms, and they may or may not include chapter leader names.

To request business cards for your chapter, email your Alumni Relations liaison or alumnichapters@uga.edu and include the following information:

1. Chapter name
2. Chapter nickname (ex: Chicago Dawgs)
3. Chapter-specific email (ex: ugaathensarea@gmail.com)
4. Social handles or Linktree information (Facebook, Instagram, X, etc.)
5. Address you would like the final business cards mailed
