CORPORATE SPONSORSHIP OPPORTUNITIES

BULLDOG 100

Promote your business during one of UGA's largest and most elite professional recognition events.

Each year, the Bulldog 100 recognizes the 100 fastest-growing businesses owned or operated by UGA alumni. These business owners are honored during a celebration and dinner in Atlanta each year, where the ranked list of businesses are unveiled from 100 to 1. Approximately 800 alumni, friends and students attend the event.

The Bulldog 100 Celebration is one of the premier recognition events at the University of Georgia and followed closely by Atlanta and Athens media outlets, including the Atlanta Business Chronicle. Past keynote speakers include journalist and best-selling author Deborah Norville (ABJ '79), former Minnesota Vikings quarterback Fran Tarkenton (BBA '61), and President and CEO of the Metro Atlanta Chamber Hala Modelmog (MA '81).

Who Can You Reach?

Approximately 800 business owners, friends, family, and alumni who attend the Bulldog 100 Celebration in Atlanta, in addition to approximately 100,000 alumni in the Southeastern U.S. who receive the electronic invitation, and the general public who flock to the Alumni website to view the list both when it's announced in the fall and posted in ranked order following the event.
