

# CHAPTER SCHOLARSHIP FUND

## *Many Communities. One Commitment.*

UGA alumni chapters throughout the country and around the world have joined forces and made a commitment: to create an endowed need-based scholarship to help future Bulldogs.

Students come to UGA ready to change the world. Receiving a scholarship enables them to focus on their education and take full advantage of the university's unparalleled learning environment.

Even with the competitive tuition rates at the University of Georgia, more students are finding it difficult to afford a college degree. More than 94 percent of UGA's students receive financial aid, such as Pell Grants and the HOPE Scholarship. For some, covering the full cost of attendance is still difficult. For students whose families are unable to provide financial assistance, this means working several jobs or taking out multiple loans.

Students who receive scholarship support are able to focus on their education and take full advantage of the university's unparalleled learning environment.

Now, when you attend a chapter event or participate in a program, you're helping ensure that future hardworking UGA students can achieve their goals. Let us know if you'd like to join your fellow Bulldogs and learn more about the UGA Alumni Chapters Scholarship.
