Diversifying Event Programming

2018 Alumni Leadership Assembly
WHY DIVERSIFY?
WHY DIVERSIFY?

David, ’17
Sydney, ’12
Jessica, ’08
Richard, ’95

How would you program for each of these alumni?
WHY DIVERSIFY?

You’ll engage more alumni throughout the year by strategically engaging targeted audiences with different interests through unique events.

These events may not get as many attendees as a game watching party or happy hour, but they will bring out new faces (who return when they have a good experience!)

Hi Sarah - Here is a photo from our Women of UGA Alumni Charlotte Chapter book club meeting last night. We all really enjoyed reading your book and had a lively discussion about it. We still have a few unanswered questions....

EVENT CATEGORIES

• **Consider having a board member to focus on each event category**
  Don’t want your board to get too big? Try building a committee under the Director of Events, where each member can be responsible for planning one event per year.

• **Don’t be afraid of an empty room!**
  Be open-minded about trying a new event for your chapter – no harm done if the event isn’t successful! We always appreciate your efforts, and now you’ve learned that this kind of program doesn’t work well for your area.

• **If the event is a hit, make it an ongoing programming series**
  Try hosting monthly Women of UGA events (Charlotte) or bi-monthly service opportunities with different organizations (Metro Atlanta).
This program encourages a calendar of annual programming in each of the seven categories. These are not meant to replace existing programs; this is simply meant to serve as inspiration!

**June—Day at the Museum**
Event Category: Academic Interest
Event Description: School is out but learning never stops. Join UGA alumni and friends for a day at a local museum. The chapter can meet before or after at a nearby bar or restaurant for a social.

**July—Freshman Send-Off**
Event Category: Student-Focused
Event Description: The chapter helps to host a Freshman Send-Off to help ensure that all local students (and their family members) are prepared for life in the Classic City. Students and parents are encouraged to bring questions and get to know a few of the Bulldog Faithful in their town.
*These events must be staffed by UGA staff and may be contingent upon the number of incoming first-year students from the area.*

**August—Welcome to the City**
Event Category: Professional Development and Networking
Event Description: This nationwide event allows the chapter to welcome new graduates and those who have recently moved to their city. This event is helpful in engaging recent graduates living in a new city, relocated Dawgs looking to grow their network, and longtime locals that haven't connected with the local alumni chapter.

**September—Game Watching Parties**
Event Category: Alumni Connect
Event Description: If you bleed red and black, UGA Football Game Watching Parties are the place to be! Cheer on the Dawgs at a local bar or restaurant.

Richard, ’00

What kind of programming would you consider for Sydney?
What event would not be a good fit for Jessica?
What kind of programming would get Richard interested in being involved?
DIVERSIFYING EVENT PROGRAMMING

What kind of event would appeal to David and at least one more of these alumni?
