FAQs about SAC

Why is there an SAC?

The Student Alumni Council is a volunteer group that serves the Development and Alumni Relations division at UGA. SAC serves as **the student voice** for student giving at UGA. We believe that alumni support allows the next generation of Bulldogs to do more, do different, and do better.

It's our goal to help other students give back to an area of campus that matters to them. If you can make an impact as a student, just imagine the impact you'll have as an alumni.

Do I need to give to SAC?

You don't need to make a gift to attend SAC events. However, student donors do receive special recognition throughout the year! If you are a senior, we strongly encourage that you make a gift through Senior Signature. It's a great way Make Your Mark on campus.

(Just a quick note: You choose where your gift goes! SAC does not receive any part of your donation. Want to know more about donations? Email ugasac@uga.edu with any impact questions!)
