

Mexico City Chapter

Welcome
TO THE CITY

Never Bark Alone

MEXICO CITY is a vibrant, never-sleeping city full of culture, history, bright colors, sinking buildings, hip new trends, art, amazing hospitality, great wine, craft beer, and world's BEST food. Our University of Georgia Alumni chapter is nascent (started in Oct 2019) and small but well-connected and growing. We hosted several game parties before COVID-19 thwarted our goal of world domination. We belong to the Mexico City Alumni Association, which includes over 15 other international alumni groups, and to the American Society, which enjoys members from over 100 organizations.
