

UNIVERSITY OF  
GEORGIA

# FAST FACTS

Chartered by the state of Georgia in 1785, the University of Georgia is the birthplace of public higher education in America—launching our nation’s great tradition of world-class public education. What began as a commitment to inspire the next generation grows stronger today through global research, hands-on learning and extensive outreach. A top value in public higher education, Georgia’s flagship university thrives in a community that combines a culture-rich college town with a strong economic center.
